

Picture Day Guide for Teachers

Before Picture Day:

Notify Students

- Remind them that Picture Day is tomorrow!
- Recommend simple, single-color tops for a clean look.
- Suggest students wash their hair for a fresh appearance.

Self-Prep

- Make sure you're feeling camera-ready!
- Choose attire that complements your features and avoid busy prints.

On Picture Day:

BEFORE

- Confirm the schedule and communicate any last-minute information.
- Encourage students to make final adjustments to their appearance.
- Keep the atmosphere light and stress-free to help students relax.

DURING

- Start with the most confident students to set a positive tone.
- Allow apprehensive students to watch the session first to ease their nerves.
- Let photographers do their job without interference to ensure smooth operation.

AFTER

- Collect feedback from parents and students to improve future Picture Days.
- Organize and distribute photo packages to each student.
- Note challenges to improve next year's Picture Day process.
